# ANTICIPATED PROJECTS

#### 2023

## On Going Maintenance Projects

- Repair and repaint the Gazebo
- SummerLane Village Sign on Wadsworth replacement
- Ongoing Fence repair and paint. We are hopeful that community volunteers can complete some of this work

In order to keep expenses under control over the years volunteers have supported the community by completing repairs allowing us to save money. Please reach out to Board@Summerlanevillage.com to volunteer your time and expertise.

# Budgeting For 2023

Annual Meeting Preparation For

November 30, 2022

#### **Increasing Costs**

As we all know, The Homeowners Association is responsible for maintaining the standards of appearance and safety of our neighborhood. This includes the cost of maintaining the common areas, utility charges, maintenance of the association's structures, fencing, walkways, insurance, administration and accounting and any other expense necessary for the operation of the homeowners' association.

The board and ARC members volunteer their time as do other community members who contribute their efforts. Last year, after years holding our monthly dues steady with no increase, we found it necessary to increase dues from \$50 to \$60 per month to cover increased costs and balance the budget.

While working on next year's budget together with Advance HOA Management, it has become clear that we cannot avoid an increase in dues for 2023. Inflation and increased costs have impacted all of us and that includes the overall management and maintenance of Summerlane Village.

The board has therefore agreed an increase in dues is needed from \$60 to \$70 per month effective January 1, 2023. The budget will be reviewed at our Annual Homeowners Association Meeting on November 30th.

#### **Waste Management**

Recycling Services You may not know, but recycling services from Waste Management are included as a part of your HOA dues. Recycling pick-up is the same day as regular trash pick-up, but every two weeks instead of weekly. You can contact Waste Management at (303)797-1600 or cscolorado@wm.com to request your recycling bin. The following can all be recycled, and as a reminder, all items should be rinsed and clean: Aluminum cans and clean aluminum foil, steel or tin containers, glass bottles and jars, plastic containers that are labeled #1-#7, office paper, junk mail and newspaper, newspapers, brochures, catalogs and magazines, envelopes, sticky notes and folders, cardboard, cereal boxes, and paper board.

#### HOA Trash Can Policy

Please remember to keep your trash and recycling bins, other than as allowed per the HOA policies. You can place your bins on the street starting at noon the day before trash pick-up and need to have them in by the day after pickup, and stored out of sight.

The Goal of your HOA board is for the community to remain well maintained allowing for increased property values.

When a problem is observed or reported to the board you will receive a letter asking you to follow the policy. This letter is followed by fines when the observed problem persists.

#### **HOLIDAY DECORATIONS**

Just a reminder, the community approved updated Covenants a few years ago, partially to address holiday decoration rules. The updated covenants address holiday decorations as follows: "Lot Owners shall not install exterior holiday lighting and decorations earlier than thirty (30) days prior to such holiday and shall remove such lighting and decorations not later than one week after the date of the holiday. Winter holiday lighting and decorations may be installed starting the weekend prior to the Thanksgiving holiday and shall be removed by January 15." • Please be sure to have your Halloween decorations taken down by November 7th. We've seen some great decorations so far!

## Home Project Thoughts

We all know that our community is aging, and what that means. In our community some of these projects are community projects, shared homeowner projects and personal projects. Here are some thoughts.

## **VENDOR LIST**

A list of vendors that have been used by community homeowners can be found on the SummerLane Village website. This list was updated in January 2022. If anyone has used a vendor and wants the name included on the list, please submit the name and contact details to Board@summerlanevillage.com

## **Outfacing Fence Stain**

The "Tan" color stain used on the outfacing sides of fences and gates can be found on our website with references to the Home Depot and Sherman-Williams brands at the following link: http://www.summerlanevillage.com/images/HOA\_Fence\_Stain.pdf

If anyone needs a sample for matching to other stain brands, please contact Harry Fleury at HarryFleury@comcast.net

## **Fencing Between Neighbors**

Who is responsible for shared privacy fencing between neighbors? The answer is, **the owners of the adjoining properties separated by the fencing**. This means any cost for replacement or repairs needs to be shared by each owner.

Our Thanks to Curt Fitt who has worked tirelessly as the Board Vice President keeping the best interests of the community at the forefront of his efforts. All your hard work has been appreciated. He has chosen not to run for re-election.
